

AKTINA - A RELIABLE IT TRAINING PROVIDER

For 20 years, AKTINA has been providing first-class IT training addressed to IT professionals, developers and end-users. We are committed to quality and we continuously focus on the requirements of our customers. Our instructors have not only deep knowledge but also comprehensive hands-on experience.

For Business

We provide flexible solutions ranging from group sessions to one-on-one coaching and a variety of learning options which allow students to learn in a manner that best suits their organization's objectives, schedule and budget.

For Individuals

Effective training can be a key to your success. If you wish to expand your IT skills, AKTINA has the right tools to help you achieve your goals. And if you want to pursue an IT certification, we offer many packages which will enhance your career prospects.
