

ISACA CYPRUS CHAPTER IN COOPERATION WITH AKTINA PRESENTS:

A CISA Exam Preparation Course

A WORLD STANDARD

The ISACA Cyprus Chapter in cooperation with AKTINA is offering a CISA Review course in preparation for the December 10, 2016 CISA exam. The CISA Review course duration will be 40 hours (6 full days) and will run in late October - early December.

Enhance your career by earning ISACA's Certified Information Systems Auditor (CISA), world-renowned as the standard of achievement for those who audit, control, monitor and assess information technology and business systems. Boost your credentials and gain a competitive edge by attending the AKTINA course and passing the exam required for this prestigious qualification.

Enterprises demand IS audit professionals who possess the knowledge and expertise to help them identify critical issues and customise practices to support trust in and value from information systems. The CISA designation is a globally recognised certification for IS audit control, assurance and security professionals. Being CISA-certified showcases your audit experience, skills and knowledge and demonstrates you are capable to assess vulnerabilities, report on compliance and institute controls within the enterprise.

COURSE CONTENT

The course reflects the job practice which is split into 5 Domains:

- Domain 1 - The Process of Auditing Information Systems (21%)
